thrivePCI

A FICTIONAL PRACTICE

A clear close. The useful learning stays.

Use a made-up example. Keep client evidence out.

Required controls and obligations continue.

Paused proposal

Which optional proposal is being considered?

Current reason

Why is closing it appropriate now?

Closure decision

Who authorized closure, within which scope?

Useful learning

What context and learning should remain?

Remaining work

Who accepts the work that stays open?

Keep what matters.

Confirm the closure scope.

Try the free public guide.
