thrivePCI

A FICTIONAL PRACTICE

A clear decision. A supported next action.

Use a made-up example. Keep client evidence out.

Decision reference

Where is the authorized decision recorded?

Scope and conditions

What does it permit, and under which conditions?

Accepted owner

Who has accepted this specific action?

Next action

What supported step can happen next?

Confirmation

How will the action and result be confirmed?

Keep the conditions clear.

Confirm before continuing.

Try the free public guide.
