thrivePCI

A FOUNDER STARTING PRACTICE

A clear beginning. A useful first step.

Use a fictional startup. Keep real evidence out.

Make the payment questions easier to see.

Payment journey

Where will customers pay, and what connects?

Provider responsibilities

Which services and duties need confirmation?

Validation route

Who confirms the required validation route?

Accepted owner

Who has accepted coordination?

First useful step

What can we clarify through the proper route?

Begin with a clearer picture.

Confirm the questions and roles.

Try the free preparation path.
