AN OPERATING HANDOFF

From launch attention. To everyday ownership.

Carry the useful observations into continuing work.

Confirm the next owner accepts and can respond.

Observed outcomes

What happened, and what remains uncertain?

Accepted ownership

Who accepts the work, and who provides cover?

Open commitments

Which action, owner and review point remain?

Usable response routes

Can the next owner find and use the response route?

Handoff confirmation

Can the receiving owner explain the next step?

Keep the useful work going.
