thrivePCI

A FICTIONAL PRACTICE

Make the next improvement useful.

Use a made-up example. Keep client evidence out.

Finding

What did preparation help us notice?

Improvement

What useful change are we proposing?

Owner

Who has agreed to own this work?

Next step

What action is agreed through the normal route?

Outcome check

How will we confirm the change helped?

Agreed. Done. Checked.

Keep each status distinct.

Try the free public guide.
