thrivePCI

A FICTIONAL PRACTICE

Choose a clear next improvement.

Use a made-up example. Keep client evidence out.

Competing work

Which improvements need a decision?

Constraints

Which obligations and dependencies apply?

Decision owner

Who is authorized to agree the order?

Agreed order

What is agreed, and what remains open?

Return point

When or why will the decision return?

Keep obligations visible.

Use the authorized route.

Try the free public guide.
