thrivePCI

A FICTIONAL PRACTICE

A useful lesson. A different setting.

Use a made-up example. Keep client evidence out.

Original lesson

What was learned, within which original limits?

New setting

Which local differences could affect its use?

Agreed check

Who accepted the check and its conditions?

Observed result

What did the agreed check actually show?

Next decision

What remains for the appropriate authority?

Check the local context.

Keep conclusions supported.

Try the free public guide.
