thrivePCI

A FICTIONAL PRACTICE

Practice one useful conversation

Use a made-up example. Keep client evidence out.

Question

What are we trying to understand?

Supporting record

What would help answer that question?

Person to explain

Who could explain how this works?

Known limit

What does the example leave uncertain?

Follow-up

What useful next step would close the loop?

Carry the context forward.

Open the free public guide.

Read. Discuss. Try one next step.
